MEETING MINUTES

PERMIT REVIEW COMMITTEE COMMISSION ON CHICAGO LANDMARKS

The Permit Review Committee (PRC) met on July 12, 2018, at 1:20 p.m. The meeting was held at 121 N. LaSalle St., in Room 201-A.

Present: Rafael Leon, Chair
 Mary Ann Smith
 Gabriel Ignacio Dziekiewicz
 Juan Moreno

Staff: Dijana Cuvalo
 Kandelyn Hahn
 Larry Shure
 Emily Barton
 Cindy Roubik

The following projects were reviewed by the PRC:

**1. 435 N. Michigan
Tribune Tower**

42nd Ward

Proposed exterior and interior rehabilitation of Tribune Tower including storefront work, window replacement, interior lobby work, and exterior architectural lighting for adaptive reuse for retail and condominiums

Action: Approved unanimously with the following conditions:

1. As proposed, exterior masonry repairs and any replacement masonry (if required) shall match the original in color, shape, texture, and finish. Samples of replacement stone, mortar, and sealant will be submitted for review and approval by Historic Preservation staff prior to order and installation;
2. As proposed, existing historic steel windows will be replaced with new aluminum windows matching the historic windows in size, glass size, mullion and muntin arrangement and profiles as closely as possible. Existing and proposed window details shall be included with the permit plans;
3. Window replacement of existing non-historic double-hung windows and installation of new windows in the smokeproof tower openings is approved as proposed. Existing and proposed window details shall be included with the permit plans;
4. Storefront alterations and a new southwest corner entry are approved as proposed. Storefront and door details shall be submitted with the permit plans;

5. Should any new railings be required at terrace levels of the Tribune Tower, such railings will be set back from the parapet walls and designed to minimize any visibility from the public way. Details of any railings shall be included with the permit plans;
6. Interior lobby changes are approved as proposed. Details of the new glass security doors and the new ornamental metal swing door to replicate the existing elevator doors shall be included with the permit plans. Material samples of any replacement stone shall be submitted for review and approval by Historic Preservation staff prior to order and installation; and,
7. As proposed, all exterior light fixtures shall be painted to match the color of existing stone and white light will be used with colored light limited to holidays and special occasions. Fixture attachments shall be located at mortar joints and minimized as much as possible and any exterior conduit shall be placed in locations to not be visible from the public way. Permit plans shall include all attachment details and power connections.

2. 1835 W. Harrison

27th Ward

Proposed Cook County Hospital Administration Building

Proposed exterior and interior rehabilitation including masonry repairs and cleaning, window replacement, proposed two new metal-and-glass canopies, and new cladding on portions of south façade for adaptive reuse for 210-key hotel, ground-floor retail, and office space

Action: Approved unanimously with the following conditions:

1. As proposed, the in-kind masonry repair/replacement samples of replacement terra cotta, brick, mortar, sealant, and coating will be submitted for review and approval by Historic Preservation staff prior to order and installation. Replacement masonry and mortar shall match the original in color, shape, texture, and finish. Any historic masonry proposed to be removed shall be salvaged for reuse if in good condition;
2. All masonry facades shall be cleaned using the gentlest means possible and the chemical cleaning product information shall be submitted to Historic Preservation staff for review and approval prior to order and installation;
3. Replacement windows and doors are proposed to be aluminum with insulated glazing, and similar exterior profiles to the deteriorated original windows and doors. Dimensioned existing and proposed window and door details shall be included in the permit plans and Historic Preservation staff shall review shop drawing details of the typical replacement windows and doors prior to order and installation;
4. The two canopies and the canopy signage are not approved at this time because the applicant will be revising these designs. The revised canopy and signage designs shall be reviewed at a future PRC meeting;

5. The two metal-clad sections of the south (rear) façade, where the original 7-story wings and porches have been removed, are approved as proposed. Material samples shall be submitted to Historic Preservation staff prior to order and installation; and,
6. The two non-historic mechanical enclosures on the southeast and southwest corners can be removed as proposed and the new rooftop mechanical equipment installed as shown on drawings A-109-110.

The Committee asked the applicant to look at the feasibility and cost estimate of reconstruction the missing mansard roofs above the two surgical theaters as part of the future Class L application for the Commission's consideration.

3. 1630 W. Walter Burley Griffin **19th Ward**
Walter Burley Griffin Place District

Proposed construction of a new curb cut and driveway in the east side yard extended to the rear of the property

Action: Approved unanimously with the following conditions:

1. The proposed curb cut and driveway, extending to the rear of the lot, is approved; and,
2. Any proposed rear garage, to be located behind the main residence, will be reviewed by Historic Preservation staff when submitted.

4. 1526 N. Leavitt **1st Ward**
Wicker Park District

Proposed construction of a new, three-story, three-unit building with detached garage

Action: Approved unanimously with the following conditions:

1. The three-flat with rear detached garages on drawings dated June 19, 2018, be approved as proposed;
2. The metal railing of the rooftop deck and cladding on the east, west, and south elevations of the stair enclosure have a dark, neutral, matte finish;
3. Dimensioned section details of the cornice be provided for staff review and approval with the permit application; and,
4. Window details be provided for staff review and approval with the permit application.

5. 1833 W. Evergreen **1st Ward**
Wicker Park District

Proposed construction of a new, three-story, rear addition and a fourth-floor rooftop addition with deck and railings

Action: Approved unanimously with the following conditions:

1. The rooftop addition shall be moved back 3' from the front façade in order to further decrease its visibility;

2. The applicant shall provide a material sample of the cladding for the rooftop enclosure, which shall have a dark non-reflective finish; and,
3. The project as proposed would require a zoning variation and/or adjustment and the Commission takes no position regarding any requested variance/adjustment relative to the zoning code requirements.

6. 916 W. Fulton Market

27th Ward

Fulton-Randolph Market District

Proposed construction of a new, one-story, rooftop addition and deck to the previously approved, two-story, new building

Action: Approved unanimously with the following conditions:

1. As proposed, the cladding material for the rooftop addition shall have a dark factory-applied finish, and a sample shall be submitted with the permit application for review and approval;
2. The plans shall be modified to eliminate the proposed planters and show either glass or open metal railings;
3. Railing details and materials shall be submitted with the permit application for review and approval; and,
4. As proposed, the addition's storefronts shall have a dark, factory applied finish, with dimensioned details to be submitted with the permit application.

7. 1442 N. Astor

43rd Ward

Astor Street District

Proposed exterior and interior renovation including demolition of front façade of non-historic addition, construction of new, three-story, side addition, and combined two- and one-story, rear addition with attached garage

Action: Item was deferred with the agreement of the applicant; no action was taken by the Committee.

8. 913 N. Hoyne

2nd Ward

Ukrainian Village District Extension III

Violation: Proposed restoration of front façade due to partial demolition exceeding scope of approved permit, redesign of front 12' of roof structure, and replacement of masonry infill with windows at second-floor, front façade, transom windows

Action: Approved unanimously with the following conditions:

1. Portions of the front façade having been dismantled beyond the approved scope of work are to be rebuilt using 100% salvaged masonry to match the masonry corbelling, colors, and patterns including all insets and projections of the historic façade design;
2. Salvaged copper cornice/coping is to be reinstalled, if possible. Missing or damaged portions are to be replaced to match historic in material, dimensions, and profile;

3. Double-hung windows are to be replaced with wood windows to match historic. Mullions are to match dimensions and profile of historic. Existing brick molding to be salvaged and reinstalled if possible. Any damaged or missing portions of brick molding to be replaced to match dimensions and profile of historic;
4. Masonry infill at second-floor, front façade, transom windows is to be removed to provide an unobstructed view of the transoms. New, clear glazing windows are to be installed in the transoms;
5. Transom bar profiles are to be revised to match historic; and.
6. If conditions arise that require substantially different work to be performed. Historic Preservation staff should be contacted immediately to review any proposed changes.

9. 3800 N. Alta Vista

46th Ward

Alta Vista Terrace District

Violation: Proposed installation of composite siding on the existing rear addition of corner, single-family home and a new fence and rolling gate

Action: Approved unanimously with the following conditions:

1. The new composite siding installed on the south elevation shall be replaced to have a smooth-surfaced finish and the siding on the entire rear addition shall be painted to be a neutral shade more consistent with the color of the brick to further mitigate the adverse impact of the project on the historic build and the district; and,
2. The smooth surfaced replacement cladding sample and color sample should be submitted to Historic Preservation staff for approval prior to installation.
